- Points are to help people to focus on the main thought.
- They should be clear and easy to read.
- Just the facts. Leave "wordy" explanations for the preach or your notes.
- Never smaller than 30 font size!!!!!
- If all your points don't fit on one slide you either need to edit them or else make another slide.

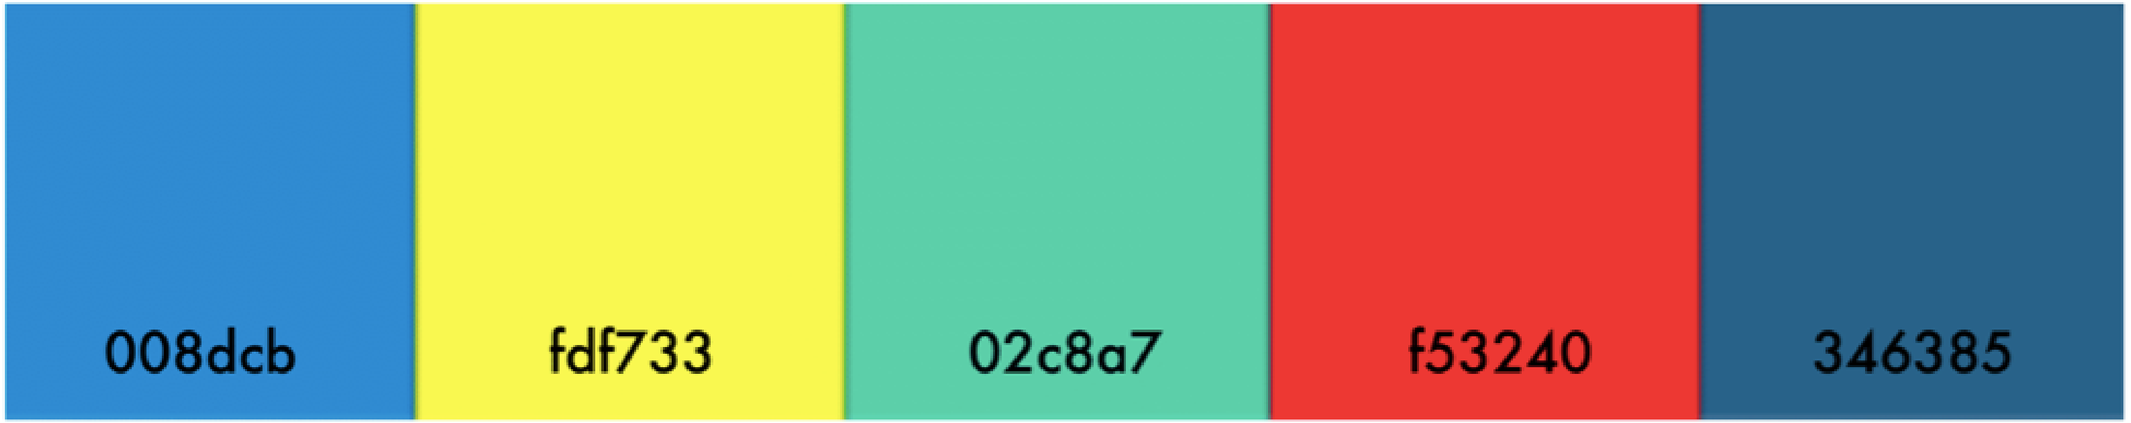

GRAPHICS AND IMAGES

Creates interest in your topic.

- Use a high quality image.
- Google search for images are often of a suspect quality as well as may have copyright restrictions.
- Anything that has a watermark over it has a copyright.
- A great site for photos of a high quality which are free to use is **UNSPLASH.COM**
- Avoid "cheesy" clipart!

FEELING LOST?

Don't worry there is help

Both Powerpoint and Keynote have some great templates.

Canva.com is a great website that allows you to create almost anything for FREE including wide presentations.

We add new Grace Cov templates saved on Dropbox. You can email the office and we'll send you a link.
